

2020 Military Voucher Program

Welcome to First Tee of the Virginia Peninsula's 2020 Military Voucher Program!

In 2013, the Department of Defense ended their national funding for children of active military families to participate in First Tee program for free.

Since 2015, and in thanks to the generous support of hundreds of contributors to the players in our Annual Golf Marathons, we are able to offer \$30 vouchers to **ALL ACTIVE** military families, for their children in **ANY** of First Tee program levels, to use at **ANY** of our program locations or camps.

Please complete the following information for each child participating in a nine-week class session or a camp, and return it to our office located at **Kiln Creek Golf Club, 1003 Brick Kiln Boulevard, Newport News, VA, 23602**. Please bring your military ID as well so we can verify that you, or your spouse, is active duty. Registration with the voucher must be done in our office and we cannot accept photocopies of military ID.
