

YOUR IMPACT

Your donation truly makes a difference in the lives of others.

Thanks to your generosity here are some examples of the amazing work that can be done across our communities.

Locally a program of the YMCA of the Virginia Peninsulas, The First Tee is an international youth development organization introducing the game of golf and its inherent values to young people. Through after school and in school programs, we help shape the lives of young people from all walks of life by reinforcing values like integrity, respect and perseverance through the game of golf.

HELPING FULFILL THE MISSION

Gifts at or above \$1,000 enables First Tee of the Virginia Peninsula to serve thousands of people in our very own community through:

- teaching Nine Core Values, Nine Healthy Habits and Life Skills through the game of golf that can be played for a lifetime
- developing teen leaders through our teen classes and volunteer program
- welcoming children and teens from all walks of life to participate in our seasonal camps and March through December programming
- girls golf which empowers girls for the game of LIFE through Five E's: Empower, Enrich, Engage, Exercise, Energize
- the National School Program which brings the First Tee Life and Golf Skills Curriculum to 58 elementary schools in their PE classes
- the Military Voucher Initiative given to active military families to reduce the cost of program attendance
- and MUCH MORE.
